Warm Thanksgiving Wishes and Christmas Greetings!

It is the time of year where we focus on family and all of the blessings God has given us throughout the year. An incredible blessing for David and me is all of **YOU** who have committed to be Peruvian Partners and have demonstrated your love over and over to so many in need. **THANK YOU!**

As we prepare to celebrate Jesus' birth, would you **please consider giving \$50** for a Christmas basket filled with food for a family and possibly a couple other families who live in poverty? In Peru there is no welfare, food stamps, or public assistance...so your gift will literally be gobbled up!

Please send me an email if you have a special designation.

Christmas Baskets & Gifts

There is also an opportunity to give small Christmas gifts (**\$10** each) to 400 children, who, without your donation will receive no Christmas present. Could you help?

If you can, in order for the gifts and baskets to arrive in time for Christmas, please send your tax-deductible donation as soon as possible!

Checks should be made out to *Peruvian Partners* with a post-it note for "Christmas Baskets & Gifts."

May He be Praised!

\$56,200 has been raised for *Casa San Juan*, a home for boys at risk. We are now able to start fixing the plumbing and hope to raise more money before the end of the year so the boys can have their new study and prayer / quiet room.

We only have \$13,800 to go!

With love and appreciation for every one of you,
David and Gina Stavros

Anytime you place an order on Amazon.com you have an opportunity to raise money for Peruvian Partners through the Amazon Smile program.
