March News

After two long, dark years, finally *this* month schools are back in session! In-school classes 2 to 3 days a week; the other days students will either study online or do assigned homework. There is hope in the air for so many frustrated and bored students! Most are two years behind : /

!MUCHAS MUCHAS GRACIAS!

We are **SO** very grateful for all of you who donated toward the construction of the computer lab / study hall for the boys in Casa San Juan. Now each resident will have his own desk and computer and a large table for projects. **An extraordinary answer to prayer!**

FIVE new guys (Benjamin, Jesus, Paul, Jairo, Juan, and David) are anxiously beginning a new chapter as they have recently moved into Casa SJ! Please pray with us that they will take advantage of these unique years to grow spiritually, emotionally and academically!

Darling House Updates!

THREE new girls (Jazmin, Karen, Lisbeth) just moved into the Darling House! It is exhilarating to observe the healing and transformation God does in each one of these students' lives, as they come to know the Lord Jesus Christ and learn to walk confidently with HIM!

We will purchase the necessary furnishings for each House in the upcoming months.

Flores de Villa 30-Year Anniversary

The guys and girls were asked to dance for the 30-year anniversary of the founding of Flores de Villa over a garbage dump landfill!

It is incredible as we look back remembering the straw huts, no water or electricity... rampant terrorism..... Now most of the community has semi-constructed houses, running water, electricity and many now know JESUS PERSONALLY.

Thirteen girls from the Casa Darling and thirteen guys from Casa SJ gleefully danced while the rest volunteered in other areas during the festivities.

Kids who previously thought they had nothing to contribute are already in the process of demonstrating leadership in the community!

GOD IS FAITHFUL!

With love and thanksgiving,
David and Gina

Psalm 147:3b-6a

...He heals the brokenhearted and binds up their wounds.

He counts the number of the stars; He gives names to all of them. Great is our Lord and abundant in strength; His understanding is infinite.
