## English Camp 2023

Dear friends and family,

After much prayer, discussion, and with sadness, the North American English Camp leadership team made the decision to cancel English Camp 2023 out of an abundance of caution. Taking such a large group out of the country, different variants in Peru, teaching with masks, not being able to hug everyone ... all played a part in their decision. However, English Camp 2024 is a definitive YES!!

### YOUNG ADULTS

The young adult leadership team decided to find a way to connect as the pandemic is beginning to wane in Peru. Meet outdoors in a park!

Following federally mandated protocol, they contemplated the verse:

*And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near. Hebrews 10:25*

Now, they are meeting weekly, calling their get togethers "Returning home". May we all continue in faithfulness and expectancy, as we reconnect with fellow believers. May these fellowships be vital, encouraging and enable us to continue to reach out to those most in need around us.

Affectionately and with much appreciation for YOU,  
Gina and David
