Dear family and friends,

OPPORTUNITY: School uniforms and supplies.

Studies show that children having school supplies of their own can improve grades, creativity, attitude towards learning, behavior, peer relationships and self-image. Education is the first step to overcoming poverty.

In Peru, school uniforms are required for all children. It is said that uniforms keep students focused on their education, not their clothes. It creates a level playing field among the students, *UNLESS* the family cannot afford to purchase that uniform for their child.

\$50 can afford a child with supplies, shoes, or uniforms required by the schools. If you would like to help empower one or more students, your contribution would be absolutely treasured! This is an *immediate* need because school starts in March.

To help a child in need you can send a check directly to Peruvian Partners, PO Box 735, Delano, MN 55328, or click on the link below.

CHAOS vs. CALM, HARMONY, PEACE...

CHAOS breaks out near Flores de Villa yesterday, as the protesters prepare to block the Pan-American Highway.

Yes, the anti-government protests, demonstrations, riots and violence persist.

Lima continues to be in a State of Emergency.

TRUST and HARMONY

Trust and harmony descended, as the men turned their worries of economic and political instability, scarcity of work and food over to a loving living GOD. *Mateo 18:20*

Please pray with us for our beloved Peru. Pray we can be an aid in helping others find that calm in HIM.

In His calm,
David y Gina
