Early Childhood Stimulation Center

Dear Friends,

We are astonished at your incredible generosity. Thank you from the bottom of our hearts for believing in Peruvian Partner's mission and donating towards such a worthy cause. We are thrilled to announce that your contributions totaled over \$174,500; therefore, we have sufficient funds to begin building the NEW early childhood stimulation center!

Claudia, the current preschool Director (of our rented space) and Yasmina, Peruvian Partners administrator, wanted to send you a personal message to thank you for delivering on this dream.

Because of you, we will be able to reach many more underprivileged children in Flores de Villa, help more families obtain scholarships for early childhood education, and connect even more young mothers to bible study groups. Thank you for your continued support and commitment. Stay tuned for more updates on the groundbreaking of our new early childhood stimulation center!
